-------------------	---------

Standard consultations are 15 minutes.

Longer consultation times may be available.

After Hours Care

After hours care is provided by MediCross Urgent Care — 8 Egmont Street — and their phone number is (06) 759 8915.

They are open from 8 AM to 8 PM, seven days a week (including Public Holidays).

Enrolment

Enrolling is free and voluntary.

Advantages of enrolling are that your visits to the doctor will be cheaper and you will have direct access to a range of services linked to the PHO.

Emergency cover is provided by MediCross Urgent Care. They are located at 8 Egmont Street and are open 7 days a week, from 8AM to 8PM. You can call them on (06) 759 8915.

Appointments

Please ring **(06) 755 0422** for an appointment.

Every effort will be made to accommodate your preferred time. However, emergencies will always be given priority.

Our reception staff will attempt to contact you if there are any unforeseen delays or if your GP has been called away.

Longer consultation times may be available. Charges apply.

Payments

Fees are payable at the time of consultation.

We accept cash, eftpos, visa, mastercard, bank transfers and online payments via Vensa — a secure payments platform.

Fees for enrolled and registered patients are subsidised by the Government for various age groups and services listed at the practice.

Please ask our reception staff for more information.

Repeat Prescriptions

We are happy to issue repeat prescriptions.

However, we ask that you give us as much advance notice as possible.

Repeat prescriptions do incur a charge and the doctor may need to see you prior to issuing for clinical and/or legal reasons — especially if you are not seeing your regular GP.

Please ask our reception staff for more information.

Patient Portal

ManageMyHealth is a secure online tool that lets patients manage their health in a modern and convenient manner.

Registering is free and simple. Sign up at your next appointment or call us on **(06) 755 0422**.

Health Literacy

We're using Facebook to help improve health understanding in our community.

Search 'Parklands Medical' the next time you're browsing and join our online community. We're constantly sharing useful tips on how to stay healthy.

Personal Information

Your medical record is a confidential document.

It is the policy of this practice to maintain security of personal health information at all times and to ensure that this information is only available to authorised staff members.
